

# Specialist Guide for GPs

Mater Private Hospital Townsville combines state-of-the-art technology with specialist clinical and nursing staff, delivering personalised healthcare of the highest standards, and providing exceptional care in the community.

## About us

Established in 1946, Mater Private Hospital Townsville has a long and rich local history of serving the North Queensland community by providing medical excellence and specialist services, backed with a commitment to patient-centred care.

Combined, our Pimlico and Hyde Park campuses offer 200 beds, specialist medical and surgical excellence, a dedicated Women's and Children's Unit, and an Emergency Department.

The experience and dedication of our people to continuous improvement cements our ability to consistently deliver flexible, comprehensive, high-quality care to the community we strive to serve and support.

## Our services

Our range of core services and facilities combine to offer outstanding clinical care across our hospital facilities:

- Emergency department
- Multiple operating theatres
- Two Cardiac Catheter Labs
- Coronary Care Unit
- Intensive Care Unit
- Maternity services
- Special Care Nursery
- Paediatrics
- Endoscopy Unit
- Cancer Services
- Day surgery
- Rehabilitation
- Sleep studies.

## Refer a patient

To refer a patient to Mater Private Hospital Townsville, please send a private referral to one of our admitting private specialists.
